Your Honor,

My name is [REDACTED] (Juror 75)

I live in Westchester County with my wife who is age 75+. She is a Cancer Survivor. (we have been married for forty years). My wife's care taking needs are very specific and precise and therefore at present, I am the only one who take care of her. In addition to cooking and cleaning the house, in a daily bases. I hope that you will take in to account my unique situation in which I am responsible for the welfare of my wife. It will be greatly appreciated, if my request for an excuse from Jury Duty can be granted.

Thank you so much.
Yours very truly,
